As we approach the end of the school year, the cafeteria would like to ensure all lunch accounts are paid in full.

As of June 1st, we will not allow any students to charge meals.

You must have money on your account to purchase your food, or pay cash.

All balances will carry over to the next school year; we will not be refunding money from your account, unless you are a senior.

All Seniors:

Will have to be signed out by the cafeteria, prior to graduation rehearsal, to ensure that your lunch account is paid in full.

If your account is at a zero balance any cashier can sign your graduation Checkout List any time after June 1st.

Have a Great Summer!
